

KHALID HASINE BACKSTORY

Khalid is in perpetual motion. He has no permanent address and gets by with a little help from his friends. In exchange for a bed, he will prepare extravagant traditional meals. He never uses cookbooks and works from his depth knowledge and experience. He works tirelessly and often sings his joy. His voice is not great, but good enough that his happiness and gratitude shine through.

He travels with his own spices, but his gracious hosts must provide the rest of the ingredients. A look into his spice rack is rare, but reveals an extremely well organized and complete collection of spices worth a small fortune. He will share his recipes, but not his spices. Khalid alone knows what's in the locked wooden case. It is his prize.

Physically he is lithe and moves with efficiency. What sets him apart, physically, is his stamina. He has been known to tend a delicate morsel over night and without rest only to be jovial until the meal is finished the next day. Only when the meal is over and the dishes away will he finally rest.

Psychologically he can be quite intense, but is always kind when explaining his methods. He is genuinely friendly, but a bit rigid in his ways.
